

The 5th China (2017•Hangzhou) International Plastic Pipe Conference Program

Date	Content	Venue	Chairman
Oct.25 From 14:00	Registration	Lobby	CPPA
Oct.25 18:30-20:00	Dinner	Hawaii Café	
Oct.26 8:30-8:50 Opening Ceremony	1 . Welcome speech -- Mr. Zhang Jianjun (President of CPPA) 2 . Welcome speech -- Mr. Zoran Davidovski (Conference Chairman from PPCA)	Sanli Hall	Wang Zhanjie CPPA
Oct.26 8:50-10:30 General	8:50-9:15	CPPA--Wang Zhanjie China Plastic Pipe Industry-Technical Progress and Quality Improvement	Sanli Hall Zoran Davidovski PPCA
	9:15-9:40	TEPPFA--Tony Calton The European Plastic Pipes Industry-Recycling Commitment	
	9:40-10:05	PPI--Tony Radoszewski Addressing Global Complexity	
	10:05-10:20	Q&A	
	10:20-10:30	Coffee Break	
Oct.26 10:30-12:00 General	10:30-10:55	Center of Science and Technology & Industrialization Development of MOHURD--Gao Lixin Application Technology of Prefabricated Heat-insulating Plastic Pipe for Central Heating	Sanli Hall Zhao Yan CPPA Executive Vice Secretary- General
	10:55-11:20	TEPPFA & Pipelife Group--Zoran Davidovski Main Drivers and Barriers for Plastic Pipes in Europe	
	11:20 -11:45	China-U.S. Joint Center for Trenchless R&D/China University of Geosciences (Wuhan)-- Ma Baosong The Main Methods of Trenchless Technology and the Application of Plastic Pipe in Trenchless Engineering	
	11:45-12:00	Q&A	
Oct.26 12:00-13:30	Lunch	Hawaii Café	

Oct.26 13:30-16:10 PVC Pipe	13:30-13:55	Uni-Bell PVC Pipe Association--Bruce Hollands Life Cycle Assessment of PVC Water and Sewer Pipe and Comparative Sustainability Analysis of Pipe Materials	Sanli Hall	Huang Jiawen National Test Center of Polymer and Building Materials Deputy Director
	13:55-14:20	Singapore Sinhao Pte.,Ltd--Hao Fan The Application of Organic Ca-Zn Thermal Stabilizer to PVC Pipes and Fittings		
	14:20-14:45	TEPPFA--Peter Sejersen New Standard for PVC-Oriented Plastic Piping Systems		
	14:45-15:10	Baerlocher GmbH, Germany--Stefan Fokken Highlights on PVC Stabilization for Pipes--Comparison and Trends		
	15:10-15:35	PVC4Pipes--Jean-Pierre De Grève Evolution and Benefits of PVC Pipes		
	15:35-16:00	Q&A		
	16:00-16:10	Coffee Break		
Oct.26 16:10-17:40 Others	16:10-16:35	AENOR-CEIS--Ricardo Pascual Galán Infrastructure for Quality-Tasks of Stakeholders Involved	Sanli Hall	Shao Cangwei Shanghai Chemical Building Materials Trade Association Secretary-General
	16:35-17:00	Rollepaal B.V.--Rob Spekrijse Saving Material in Plastic Pipe Production		
	17:00-17:25	NSF International--Nasrin Kashefi Oxidative Resistance for Plastic Pipe in North America		
	17:25-17:40	Q&A		
Oct.26 From 18:30	Gala Dinner		Sanli Hall	

<p>Oct.27 8:30-10:40 Composite Pipe</p>	8:30-8:55	Sichuan Goldstone Orient New Material Equipment Inc.--Han Hongtao Steel Reinforced Polyethylene Corrugated Pipe Applications & Inspection Standards	Sanli Hall	<p>Li Yanjun National Building Material Quality Supervision and Test Center Director of Pipe Test Dep.</p>
	8:55-9:20	Radius Systems Group--Sergey Shalyapin Flexible Pre-Insulated Thermoplastic Reinforced Pipes: the Next Evolution in District Heating Networks		
	9:20-9:45	Shanghai Banzan Macromolecule Material Co., Ltd.--Yang Shaohui Adhesive Resin: A Key Material of Composite Pipeline in Production		
	9:45-10:10	Zhejiang Shuanglin Machinery Co., Ltd.-- Li Xing R&D of Continuous Glass Fiber Reinforced Large Diameter Polyethylene Pipe		
	10:10-10:30	Q&A		
	10:30-10:40	Coffee Break		
<p>Oct.27 10:40-12:10 Fittings</p>	10:40-11:05	Uponor Infra--Gerry Groen PE4710 Mitered Elbow Design Justification by Finite Element Analysis	Sanli Hall	<p>Xiang Aimin TC48/SC3 Secretary- General</p>
	11:05-11:30	Universidad Nacional Autónoma de México (UNAM)--David Becerril García Quality Control Testing of Joints in Gravity Flow Plastic Pipes		
	11:30-11:55	Trelleborg Pipe Seals--Martijn Boerma The Evolution of Elastomeric Joints in Plastic Pipeline Systems		
	11:55-12:10	Q&A		
<p>Oct.27 12:10-13:30</p>	Lunch		Hawaii Café	

Oct.27 13:30-15:10 Polyolefin Pipe	13:30-13:55	PE100+ Association-- Andrew Wedgner The Design and Application of PE100 Pipe in Trenchless Technologies--Standards and the PE100+ No-Dig Guide	Sanli Hall	Ma Changcheng China Gas Association Vice Secretary-General
	13:55-14:20	Department of Chemical and Biological Engineering, Zhejiang University--Jianfeng Shi Non-destructive Inspection of High Density Polyethylene Pipe in Nuclear Power Plant		
	14:20-14:45	Pipeline Group--Zoran Davidovski Challenges in the Development of the Market for Large Diameter PE Pipes for Marine Installations		
	14:45-15:00	Q&A		
	15:00-15:10	Coffee Break		
Oct.27 15:10-17:10 Polyolefin Pipe	15:10-15:35	Chinaust Group--Li Yu Technical Development and Application of Large Diameter HM-PP Spiral Winding Pipe in China	Sanli Hall	Zhe Dongmei National Test Center of Polymer and Building Materials Deputy Director
	15:35-16:00	TEPPFA--Peter Sejersen Modeling Migration from Plastic Pipes into Drinking Water		
	16:00-16:25	University of Linz – Institute of Polymeric Materials and Testing, Austria--Joerg Fischer Fatigue Crack Growth (FCG) Resistance of Polypropylene in Chlorinated Water at Different Temperatures		
	16:25-16:50	3M--Edwin Scott Intrinsically Locatable PE Pipe		
	16:50-17:10	Q&A		
Oct.27 17:10-17:30 Closing Ceremony	17:10-17:20	PPCA--Zoran Davidovski PLASTIC PIPES XIX Introduction	Sanli Hall	Wang Zhanjie CPPA
	17:20-17:30	Closing Remarks		
Oct.27 18:00-20:00	Dinner		Hawaii Café	
Note	If any change, please subject to the notice.
